

A beautiful blend  
of sound, design  
and craftsmanship  
to take with you  
wherever you go.

**Bang & Olufsen Signature Sound**

Beoplay H4 deliver an authentic and a finely tuned acoustic performance based on our strong heritage of sound engineering dating back to 1925. No matter if you use Beoplay H4 wireless or corded, the sound will immerse you – and lets you stay in the moment.

**Durable materials crafted for comfort**

The use of honest and strong materials ensures lasting comfort and great durability when you're on the move or over extended periods of time. And with leather that patinates naturally over time, Beoplay H4 are made to age with grace.

**Voice assistant with dedicated button**

Beoplay H4 are optimized for voice assistants. This feature lets you manage your life on the go – reach out for your favourite track, get the latest news or the local weather report, all with your voice. Simply press and hold the dedicated voice button and your voice assistant is ready for you. If you're not a voice assistant user, you can still use the dedicated voice control button for commands.
