

## SAINT LAURENT X BANG & OLUFSEN

Saint Laurent curated two limited edition Bang & Olufsen speakers.

A multiroom Beoplay A9 all-black mirror black anodized aluminum speaker, with a black Saint Laurent signature, and a portable Beoplay A1 all-black speaker with a black gloss black Saint Laurent signature and a black mirror anodized aluminum label. These two brands combine innovation and elegance.

### **BEOPLAY A9 HOME SPEAKER**

Powerful, wireless, iconic design speaker with room filling sound. Beoplay A9 gives you control of music volume in a smooth interaction by gently sliding your hand across its surface. With a simple tap you can skip to the next and previous track or play/pause your music. Connect Beoplay A9 to your favourite music streaming service and connect more speakers for a multiroom experience. Beoplay A9 supports Chromecast built-in, AirPlay 2 and Bluetooth. This limited-edition Beoplay A9 comes with solid anodized mirror black aluminium legs and a black Saint Laurent signature printed on the back.

### **BEOPLAY A1 PORTABLE SPEAKER**

Beoplay A1 is a dust and splash resistant, ultra-portable, Bluetooth speaker with a built-in microphone. With unprecedented ambient 360° sound, it projects more sound and more bass straight into your life. It is small enough to sit in the palm of your hand, and because of its shape it is easy to store in your bag or slip into a pocket, so you can take it anywhere you go. Beoplay A1 offers up to 24 hours\* in one charge. This limited-edition Beoplay A1 comes with a high gloss black Saint Laurent logo printed on the aluminium grill and the logo tag in mirror black anodized aluminium.
