MY OWN LOUNGE CHAIR
Designed by *Flemming Lassen*

Flemming Lassen's iconic armchair from 1938 was originally only made in a single edition. First, the then controversial, forward-looking armchair was exhibited at The Copenhagen Cabinetmakers' Guild Competition and later it became the favorite chair in the Lassen family home - hence its name. It was launched in connection with the chair's 80th anniversary and now it is also available in a walnut/sheepskin version. The textile, Colline, from Kvadrat not only compliments the curved shapes of the armchair, but goes with any light decor in need of edge and character.
