A – Declaration of conformity

I, the undersigned

Danny Feltmann Espersen
CEO – Chief Executive Officer

as legal representative of the company

Menu A/S
Aarhusgade 130 1st
DK-2150 Nordhavn

Declare

under our responsibility that the items: (See appendix) supplied by us are suitable for use in contact with food.

The items mentioned in the appendix are made of:
Glass

They are designed and tested in order to be used for – see appendix.

They comply with all applicable Danish and European regulations and requirements provided by:

- Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC
- Danish regulation Bekendtgørelse nr. 1248 af 30/20 2018 om fødevarekontaktmaterialer

Furthermore, in accordance with the statements issued by suppliers, we declare that our products are made of material complying in all respect to the requirements of following legislation and standards:

* 32006R2023: Commission Regulation (EC) no. 2023/2006 of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food.

- Council of Europe: POLICY STATEMENT CONCERNING LEAD LEACHING FROM GLASS TABLEWARE INTO FOODSTUFFS (Version 1 dated 22.09.2004)
- US FDA 21
- German Food, Articles of daily use and Feed Code section 30 and 31.

Menu A/S will maintain adequate documentation for inspection available for the authorities having jurisdiction.

E – Declaration of conformity

I, the undersigned

Danny Feltmann Espersen
CEO – Chief Executive Officer

as legal representative of the company

Menu A/S
Aarhusgade 130 1st
DK-2150 Nordhavn

Declare

under our responsibility that the items: (See appendix) supplied by us are suitable for use in contact with food.

The items mentioned in the appendix are made of:

Metal, plastic (PP), porcelain

They are designed and tested in order to be used for – see appendix.

They comply with all applicable Danish and European regulations and requirements provided by:

- Regulation (EC) No 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC
- Commission Regulation (EU) No 10/2011 of 14 January 2011 on plastic materials and articles intended to come into contact with food
- Danish regulation Bekendtgørelse nr. 1248 af 30/20 2018 om fødevarekontaktmaterialer

Furthermore, in accordance with the statements issued by suppliers, we declare that our products are made of material complying in all respect to the requirements of following legislation and standards:

* 32006R2023: Commission Regulation (EC) no. 2023/2006 of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food.
32011R10: Commission Regulation (EU) No 10/2011 of 14 January 2011 on plastic materials and articles intended to come into contact with food

- x Council of Europe METALS AND ALLOYS USED FOR FOOD CONTACT MATERIALS TECHNICAL GUIDE 2013
- x US FDA 21
- x German Food, Articles of daily use and Feed Code section 30 and 31.

The plastic used for these products do not contain substances with a specific migration limit or dual use materials.

Menu A/S will maintain adequate documentation for inspection available for the authorities having jurisdiction.

Directions for use:
See appendix

The suitability of correctly use of the products in contact with food as regards the hygiene is under the responsibility of the user. The product is not suitable for the contact with See appendix

This declaration is periodically updated and revised in case of modification of the regulations or standards in force.
