KUBUS SNUFFER
 Designed by *Søren Lassen*

With reference to the iconic Kubus candleholders, the Kubus Snuffer in black is an essential addition to the collection. Avoid drips and wax stains and keep your candleholder pristine by using the snuffer instead of blowing out the candles. With the same cubic metal frame and side length as the Kubus 8 candleholder, the snuffer is designed to be showcased as a natural extension to your candleholder.
