BENOIT EN BERNARD DEWITTE RESTAURANT

GENT, BELGIUM

## BENOIT EN BERNARD DEWITTE RESTAURANT

Michelin Star Restaurant near Gent, in Belgium. The restaurant is owned by two passionate brothers who strive to create a unique experience in its simplicity. The use of raw materials and meticulous attention to ingredients play an essential role in Benoit & Bernard Dewitte Restaurant, together with the cozy atmosphere and unique design. The dining experience happens in a picturesque and poetic context that projects the guest into a new dimension, made of coziness and relaxation.

HOTEL MILLA MONTIS  
TYROLL, ITALY - AWARD-WINNING PROJECT

## HOTEL MILLA MONTIS

Hotel surrounded by the picturesque scenery around Meransen and the impressive peaks of the dolomites in South Tyrol. The hotel exudes a sense of the strong bond between humans and nature with its modern, futuristic-style architecture that blends in perfectly with the nature surrounding it and where the boundaries between inside and outside are beautifully blurred.

Architect: Peter Pichler

Location + Photo courtesy: Hotel Milla Montis, Meransen, Italy  
Architect: Peter Pichler

The interior décor is minimalist and warm with a focus on comfort. Wood is combined with a subtle color palette giving continuity to the natural palette of the surrounding landscape. The furnishing from Sibast Furniture with the full upholstered Sibast No 7 dining chairs and lounge chairs as well as the Sibast No 7 bar chairs fits well with the vision behind this beautiful architecture.

Hotel Milla Montis chose Sibast No 7 dining chair, Sibast No 7 bar and Sibast No 7 lounge as a part of their interior.

BERNS SALONGER  
STOCKHOLM, SWEDEN

## BERNS SALONGER

Historic architecture meets majestic rooms with eclectic details, a vibrant atmosphere and legendary nightlife. Located at the centre of Stockholm's dynamic shopping and restaurant district, overlooking Berzelii Park and the Baltic Sea, Berns has been a hub of Stockholm's entertainment scene for over 150 years. Global superstars, artists, bankers, media folk and curious cosmopolitans have been drawn here ever since Berns opened its doors in 1863. Here you can dine under crystal chandeliers at the breath taking restaurant Berns Asiatiska.

Interior styling by Titt studio, AB Evert Lindelöf.  
Photo courtesy: Berns.

The restaurant seats about 150 guests, where the heart of the dining room is an open kitchen with seating all around. To support the historical environment and beautiful architecture the Sibast No 7 and No 8 dining chairs as well as the Sibast No 7 Bar chairs were all chosen to be part of the interior at Berns Asiatiska. The choice of both Sibast No 7 Dining chairs and Bar chairs helps to maintain design coherence, making Berns Salonger's environment balanced and harmonic.

Interior styling by Titt studio, AB Evert Lindelöf.  
Photo courtesy: Berns.

Berns Asiatiska was the first Chinese restaurant in 1940s Sweden and was then a new and exotic feature among Stockholm’s restaurants and even today continue to introduce new exciting Asian flavors to enjoy in a warm and lively atmosphere. Here it is as high in the ceiling as exquisite, with Asian flavors in all sizes and shapes.

CASA DECOR  
MADRID, SPAIN - AWARD-WINNING EXHIBITION

## CASA DECOR

Casa Décor is one of the most significant interior design exhibitions in Europe. There, design, interior design and creative avant-garde meet to create one of Spain's most innovative design events.

FEATURED: SIBAST NO 7 LOUNGE

Interior Designer: Lorna de Santos  
Photo Courtesy: Naucho UribeSalazar, Pablo de Arcos

Lorna de Santos decided to represent nature in its purest form, using soft lights and creating a unique setting using cement and marine waste. Sibast No 7 collection perfectly blends in this balanced environment, contributing to the perfect harmony of the atmosphere.

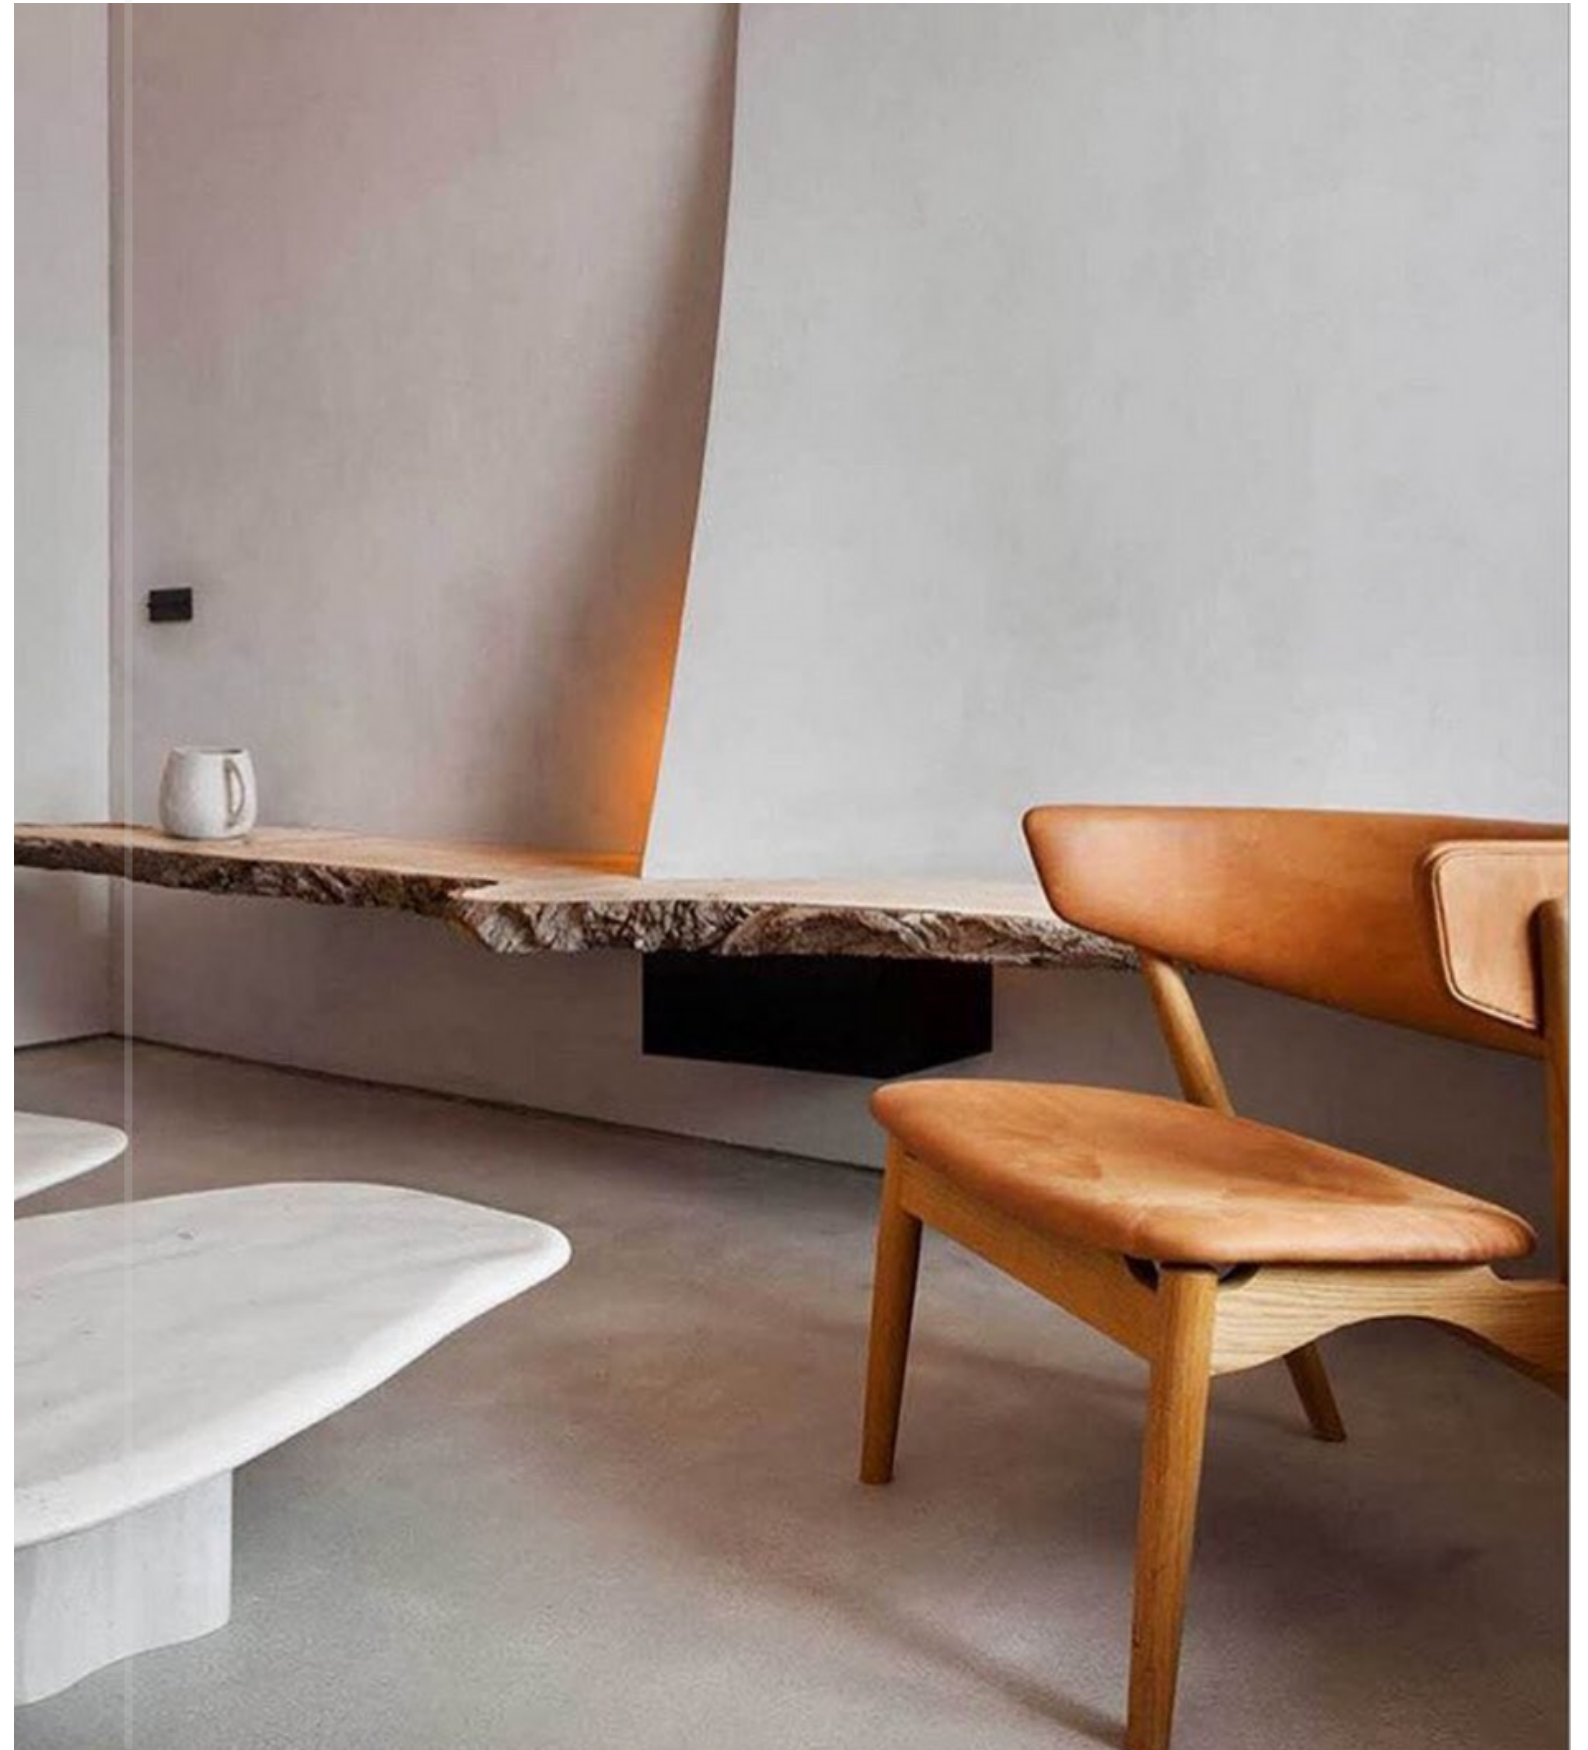

Interior styling by Titt studio, AB Evert Lindelöf.  
Photo courtesy: Berns.

Sibast Furniture was selected by the interior designer Lorna de Santo for her project in Casa Décor. The exhibition wanted to represent a manifest on sustainability, choosing artisanal craft over mass production.

Lorna De Santos project was mentioned by some of the most influential interior design magazines, among them, the magazine YellowTrace, Architectural Digest and Elle Decoration China

AAMANNS 1921

COPENHAGEN, DENMARK - MICHELIN GUIDE RECOMMENDED

## AAMANNS 1921

Magical dining experiences calls for magical surroundings and at restaurant Aamanns 1921 guests are greeted by high ceilings, clean lines, bright materials, an imaginative terrazzo floor and impressive brass chandeliers.

Recommended by the MICHELIN Guide, Aamanns 1921 is a Danish restaurant giving a modern and refined take on the classic danish 'smørrebrød' in beautiful, historic surroundings in the center of Copenhagen.

FEATURED: SIBAST NO 7 DINING CHAIR  
& SIBAST NO 8 DINING CHAIR

Interior design: ATM  
Photo Courtesy: Aamanns 1921

The interiors at Aamanns 1921 is inspired by the impressive aesthetics of a church. The designer behind the décor Anders Busk Faarborg wanted to create surroundings that doesn't overwhelm but leaves the spotlight for the thing it's all about: the ingredients and the flavours. It is a place where aesthetics and function merge with interiors custom made by genuine materials, reflecting the same sense of quality in the décor as in the cooking. The furnishing which includes the Sibast No 7 and Sibast No 8 Dining chairs designed by Helge Sibast in 1953 elegantly blends in with this vision.

PANTECHNICON  
LONDON, UNITED KINGDOM

## PANTECHNICON

The Pantechinicon in London was built in 1830 as an impressive art and crafts bazaar. Those traditions have inspired the future of this building, which has been freshly renewed and is now home to six different experiences that celebrate creativity and craftsmanship.

Pantechinicon introduces two new backgrounds and cultures to the guest: the Nordic and the Japanese.

FEATURED: SIBAST NO 8 DINING CHAIR

Pantechnicon has chosen Sibast No 8 Dining Chair. The interior designer has chosen many other big design names to furnish Pantechnicon's many rooms. Among them, Sibast No 8 stands out thanks to its firm and elegant design, creating an excellent design combination. These features allow a balanced ambiance and contribute to ensuring the guest an unforgettable experience.

AMAYA LUXURY RESORT  
HIMALAYAS

## AMAYA LUXURY RESORT

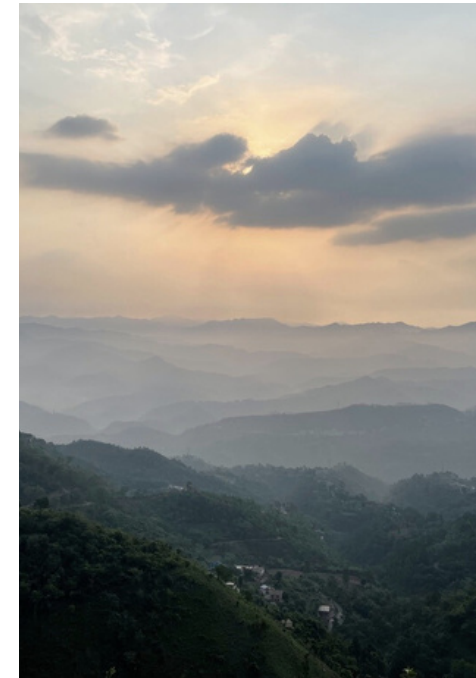

Amaya Luxury Resort is a sustainable, luxury boutique resort located in the Himalayas. With the ideology of coexisting with nature, Amaya's commitment to sustainability extends far beyond treading softly on the environment—it considers how we can enrich the spaces that we occupy, and elevate its emotional spirit and our own. This philosophy has been moulded by architect Bijoy whose approach to architecture borders on the spiritual, especially where matters of sustainability are concerned.

It has won a place on one of the most prestigious architectural award lists in the world - Architectural Digest's 2023 Hotel Awards where Amaya features on the list "The 21 Best New Hotels Around the World".

FEATURED: SIBAST NO 7 LOUNGE CHAIR

Architect: Bijoy Jain  
Photo Courtesy: Amaya Hotel and Architectural Digest

Crafted by Bijoy Jain of Studio Mumbai, the Amaya villas rest within 20 acres of terraced forests near Darwa village, Himachal Pradesh. Each structure, crafted by hand without cement, harmonizes ancient tradition with modern comfort, inviting guests to disconnect and reconnect with nature and themselves.

At Amaya, guests discover a secluded haven with stone pathways, terraced gardens, and mountain trails leading to sustainably designed villas. Inspired by Nordic minimalism, these accommodations offer a serene ryokan-like experience, complemented by amenities such as refined dining, organic cuisine, a heated pool, saunas, and a library, ensuring an unforgettable mountain retreat.
