# ZENS

Ming Corner is made with a complete collection that incorporates the elements of smell, sound, light, time, and space all within its own space.

The soft colors of the upholstery and the light wooden finish of the furniture create a cool and inviting visual experience, and the fragrance from the flowers vases and dispersed lighting give a calm feeling to the guests.

Through different combinations, the dividing effect of the storage box can be eliminated by rearranging the cushions to be adjacent. The console can be placed in the middle of two people or on the side for closer communication.

The two-seat sofa and related furniture designs, created by ZENS CDO Ming Liu and YUAN Yuan who is the design director from RUYI homewar, are inspired by Chinese traditional home decor styles.
