KUBUS VASE LOLO

Designed by *Søren Lassen*

Kubus Vase Lolo was originally designed by Søren Lassen in 2014, but was launched in celebration of Audo's 10th anniversary 2018. The vase is a natural extension of the series, which has already seen the creation of the Kubus Line candlestick and Kubus Bowl to add to the original Kubus Candleholder. Whether it stands alone or as part of a collection of items, it looks crisp yet feminine when filled with light, colourful blooms. With its simplicity and precision, it also has a strong enough aesthetic to make a statement all on its own.
