Luv Wood 0665 / 0671

WOOD

Designer: Kaschkasch

“Luv”, a word widely used in sailing, means “against the wind” in German and is the source of inspiration for this handle which reminds us of smooth undulating lines as found on sails and barges. The Kaschkasch studio describes it as an elegant handle with an organic spirit and a playful touch.

Duo Big 0670 / 0668

ALUMINIUM + WOOD

Designer: Ilja Huber

For many years, traditional wood-turning mills were one of the most important industries in our region, the Ges Valley (Barcelona). Many of them specialised in the manufacture of games, similar to the legendary Burr puzzle with its refined shapes, which inspired the designer Ilja Huber to create the Duo handle.

Moon 0662 / 0663

ALUMINIUM

Designer: Ilja Huber

Ilja Huber conceived the design for the Moon handle by observing the first moments of a lunar eclipse, just when the Earth's shadow hides part of its silhouette. A complement that radiates elegance and transfers the captivating force of the night sky to interiors that seek sophistication through pure, essential shapes.
