FRAME 49 TRIO

Frame 49 Trio is a flexible storage solution consisting of three Frame modules in cubistic frames. The simple storage system is inspired by the Kubus candleholder by Mogens Lassen, based on strict mathematical formulas and designed with the greatest precision. Frame 49 Trio consists of three Frame modules in size 49: a module with a shelf, a module with a door and a module with three Drawers. The Drawers feature a soft-close system and hidden tracks. Frame Sideboard Trio works beautifully as a dresser in the living room, tv table or as a classic bookcase.

The plates are made from a MDF core with a melamine or veneer surface. The drawer is made from plywood and covered with black foil. The bottom is made from black painted MDF. The tracks are made from steel and has a soft-close system. The handles are made from aluminum with powder coated black finish.
